

MULTI-PURPOSE GOLD ABRASIVE SHEETS P180

PN: R1517

X 55 PCS/BOX

FEATURES/ ADVANTAGES

- Laser-cut technology allows use in multiple sheet lengths
- Multi-hole configuration provides improved dust extraction
- Maximum resistance to clogging and increased productivity
- Hook-and-loop attachment for fast sheet change-outs
- Increased sharpness on cutting surfaces improves the amount of pressure needed for operation
- Durable and tear-resistant

APPLICATION/ USE

- Ideal for a range of jobs including paint removal and blocking of panels with fillers
- Used on wood, paint, metal, plastic, and fillers

TECHNICAL SPECIFICATIONS

- Grain: Aluminium Oxide
- Hole Configuration: Multi-hole
- Length: 11 m
- Width: 70mmx 198mm
- Grit: P180
- Made in PRC

AVAILABLE GRITS

P80, P120, P180, P240, P320, P400
