

DRY GUIDE COAT BLACK 100G + APPLICATOR

PN: R1532

FEATURES/ ADVANTAGES

- It ensures the filler is flat with no ripples and that the body styling lines and contours are straight or correct Ensures the total primed area is sanded prior to top coating
- Makes all imperfections visible
- Requires no masking and no drying time
- Contains no intentionally added solvents
- The applicator has flexible edges which makes it easy to use on contoured areas

APPLICATION/ USE

- Used to identify surface imperfections such as pinholes in body filler and deep scratches in primer
- Used on automotive and marine fillers, primers, paints, and gel coats
- Does not clog sandpaper while delivering easier clean-up
