

## Complete Automotive Solution

Rhinomotive is the one-stop-shop in the market that covers the entire automotive aftermarket requirements.

## PRODUCT HIGHLIGHTS

- Made of bicomponent, non-woven with lint-free laminate for a noticeably comfortable drape.
- Taped seams across the suit for increased holdout and strength reducing the risk of tearing and exposure.
- Protection against chemical agents, anti-static coating, and reduces static discharge, and latex free.
- Prevents dust and limited liquid splashes and nuclear particles hold out.
