

BOTTLE

Complete Automotive Solution

Rhinomotive is the only one-stop-shop in the market that covers the entire automotive aftermarket requirements.

Microfiber Wash 500ml

Clean Rinse Technology for ultra-soft residue-free fabric

Ammonia-free

Colour: Blue
Scent: Floral

✓ Works on all microfibre goods

✓ Restores ultra-plush softness

✓ Ready to use

Trigger lock

High quality trigger

Dissolves wax, polish, and other detailing chemicals

Formulated to be safe for use with standard & high efficiency machines

Why it's better

- ✓ Does not contain bleach or fabric softeners.
- ✓ Improves texture and extends life of microfibre cloth.
- ✓ Works on all types of Microfibre.

Great usability

- ✋ The special formula, which is free from artificial fragrances and brighteners - ensures a rigorous, residue-free, yet mild and damage-free wash. This results in longer-lasting microfibre tools
