

# METAL INLAY CABLE TIES BLACK - 100MM X 3MM

**PN: R2109**

X 200 PCS/PACK

## FEATURES/ ADVANTAGES

- Incredibly strong, durable, and flexible
- Heavy duty industrial grade quality
- Smooth edges ensure easy 'slip' while tightening
- Ensures a snug fit
- Withstands extreme temperatures
- High tensile strength

## APPLICATION/ USE

- Widely used to bundle cables, wires, or other things in automotive, electrical, and electronic, lighting, marine industries, etc.
- Used for heavy duty applications

## TECHNICAL SPECIFICATIONS

- Material: UL approved Nylon 66
- Flammability: 94V-2
- Metal Inlay: Stainless steel 304
- Tensile Strength: 8kgs
- Operating Temperature: -35°C to 85°C
- Size: 100mm x 3mm
- Bundle Diameter: 25mm
- Colour: Black
- Quantity: 200pcs
- Made in PRC
